# LSBU Visitor Guest WIFI

Visitors to our campuses have access to a dedicated Wi-Fi network. Once you have registered you will be given a password for the Wi-Fi that will last for 24 hours.

How to gain access

From your device's Wi-Fi settings, choose the Wi-Fi network **LSBU-Guest**.

Once you have selected this connection you will be automatically forwarded to the registration page.

LSBU students should connect to eduroam, and staff connect to LSBU_staff.

Guests, please use the Register button or use your social media login using the buttons below for 1 day access.

If you have sponsored access, complete the Sponsor section after clicking the Register button.

Please specify any phone number with the country code included e.g. 447777 123 456

For full instructions please see our help sheet

User Guide

Register

How to register for the WIFI passcode

Click on the 'Register' button and it will take you to the Wi-Fi registration page. Fill out the fields containing **Full Name**, **Email** and **Mobile Number** only.

FULL NAME

First Name Last Name

EMAIL*

you@domain.com

MOBILE

Mobile Number with Country code

☑ Email Preferred   ☐ SMS Preferred

Please tick the disclaimer box and select **Register**.

Your WIFI login details will now be sent to the Email address you have chosen.

Logging in

Once you have registered and have received a passcode, please use the following form to log in for access.

Enter the login details you have received via your Email and select **Sign in.**

Your WIFI connection will last for 24 hours. After that period, you will have to re-register for another passcode.

*If you have issues with the passcode that was sent to you, click on **Forgot Passcode** to be taken through the new Passcode generation process.*

Logging in via social media

> *Warning!!! The* **Google OAuth** *requests are prohibited on the embedded webviews.*
> *Please use full browser instead of the embedded browser*

f Sign in with Facebook   **in** Sign in with Linkedin   **G** Sign in with Google

You can also log in via social media methods. *Please be aware that if you log in via these methods your access will last only **24 hours***.
